In the United States, an academic year typically has a duration of approximately 180 school days for students from years K-12, running from the early (Northern Hemisphere) fall to early summer. Colleges and universities often have shorter years. School holidays (also referred to as vacations, breaks, and recess) are the periods during which schools are closed.

Happy Saturday guys! I just finished my first week in 3rd grade and can I just say I am in love with my kiddos!?! Who knew “big” 3rd graders were really 2nd graders at heart? ☹️ We had a really busy week learning how to be a part of our 3rd-grade classroom community, but in between practicing those procedures and going through fire drills, we managed to squeeze in a little bit of learning ...
