Chapter 12 Political Parties Summary

Chapter Study Outline. Introduction. Political parties are teams of politicians, activists, and voters whose goal is to win control of government. To do so, parties perform essential tasks of recruiting and nominating candidates, garnering the resources needed to run campaigns, and pursuing a policy agenda that can help them appeal to voters.

Chapter 12: Political Parties | American Government, Core ...

SUMMARY Political parties are groups of individuals organized for the purpose of electing candidates to public office. The Constitution contains no mention of parties, and the Framers regarded them as undesirable or even dangerous. Nonetheless, the federal structure and electoral institutions they created give ample incentives for party building.

Chapter 12: Political Parties Flashcards | Quizlet

A voting system that apportionns legislative seats according to the percentage of the vote won by a particular political party (>5%). Rather than running for individual legislative seats, candidates for each party are placed on a "party list" and voters choose among competing parties; encourages a multi-party system and can make it harder for one party to form a majority.
