directed 451m installation guide - Bing

My husband was actually teaching me to put these in, so I recorded for reference. I'm glad it was able to help others as well :)

451m Pt2 Installation

Before beginning the installation: •Check with the customer on Status LED location. •Remove the domelight fuse. This prevents accidentally draining the battery. •Roll down a window to avoid being locked out of the car. After the install: •Test all functions. The "Using Your System" section of the Owner's Guide is very helpful when testing.

INSTALLATION
