should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Essential College Physics Volume 1

Description. The goal of Essential College Physics is to provide a text focused on essential principles—a shorter, more focused text that better addresses the learning needs of today's students while more effectively guiding them through the mastery of physics. Brevity does not need to come at the expense of student learning. This text is designed from the ground up to be concise and ...
