GENDER AND DECOLONIZATION

During the post-1945 Wars of Decolonization, gender was often an issue of contestation. Colonial repression was based on a gender order that intersected with the constructed racial and social hierarchies in the colonies. The way imperial powers' policies used and impacted gender relations to secure their rule must be taken into account in any study of the anticolonial struggle.

Gender, the Wars of Decolonization, and the Decline of ...

This course will examine the intersections of gender, sexuality and nationalism within the context of decolonization movements in Asia, Africa, and the Caribbean from the late 19th century to the postcolonial period, with a particular focus on the 1920s to 1970s. Case studies will range from analysis of women's mobilization in India to the gender dynamics of armed rebellions in Africa to ...

Gender, Sexuality and Decolonization in the Global South ...

This book presents a new approach to the understanding of non-normative sexuality and gender transgressive modes in South Asia and South Asian diaspora. It reconceives sexual representation from the point of view of the theoretical, political and empirical trajectories of decolonization, provincialization and neoliberalism to look at the role of historical contingency, postcolonial sexual ...

Decolonization is impossible without gender and sexual justice as articulated by women, Two Spirit, queer, transgender and others who fall beyond and in resistance to male cis-heteropatriarchal norms. These are the experiences and voices that this issue seeks to center and honor in seeking ways forward for decolonization.

CFP: Gender, Sexuality & Decolonization | Decolonization ...

Focusing the perspectives of gender scholarship on the study of empire, this is a volume of insights about the conduct of men as well as women. Bringing together disparate fields — politics, medicine, sexuality, childhood, religion, migration, and many more topics — this collection of essays demonstrates the richness of studying empire through the lens of gender.

Gender and Empire - Oxford Scholarship

He is a co-founder of the Diversity, Decolonization, and the German Curriculum (DDGC) scholarly collective. He specializes in late-18th- to 21st-century German media and cultural history.
