In Defense of Capital Punishment There are some words that often return when we defend the death penalty: justice and human dignity. These words also constitute a foundation for that which is called democracy and civilization. These two realities can also be regarded as two bearing pillars in the defense of capital punishment.

In Defense of Capitalism. The term capitalism has long been used by critics as a catch-all to denote a system replete with greed, indulgence, excess, and deprivation. It is easy to misinterpret self-interest as selfishness and write off capitalism and economics. But the truth of the matter is much more complicated....

**In Defense of Capitalism ~ The Imaginative Conservative**

In Defense of Capitalism. Every single day, millions of Americans demonize capitalism as an intrinsically evil system of repression. Of course, this is nothing new. Anti-capitalism dates all the way back to the very beginnings of capitalism, though it was popularized by Karl Marx in the mid-19th century.
