North and South - The Ending. I have read that Charles Dickens became a bit fed up with how long North and South was taking to end, and told Mrs Gaskell to hurry up. It was being serialised in his magazine, Household Words. When Mrs Gaskell published it as a book, she extended the ending again. I thought Dickens had a point: it does take a ...

Set in the mid-19th century, and written from the author's first-hand experience, *North and South* follows the story of the heroine's movement from the tranquil but moribund ways of southern England to the vital but turbulent north. Elizabeth Gaskell's skilful narrative uses an unusual love story to show how personal and public lives were woven together in a newly industrial society.

Origins. Sandy Welch started adapting Elizabeth Gaskell's 1855 *North and South* in 2001, making a few changes to emphasise the industrial landscape of the story. Welch's story, for example, begins and ends with the main character Margaret Hale travelling by train, which is not the starting and ending point of the novel (although Gaskell describes the Hales travelling from the South to the North ...

"*North and South*" is relatively obscure, compared to works by the Brontes or Jane Austen. That's a shame, because Elizabeth Gaskell's story can be considered as gripping and romantic as theirs -- a love that has to triumph over snobbery, class differences, prejudice and the whole weird situation with Margaret's brother.
