course, you are taking the first step to kickstarting your career in tech. In the first week of the course, we'll learn about how computers were invented, how they've evolved over time, and how they work today. We will also learn about what an "IT Support Specialist" is and what they do in their job.

Put - in front of a word you want to leave out.

For example, jaguar speed -car. Search for an exact match. Put a word or phrase inside quotes. For example, "tallest building".

Search for wildcards or unknown words. Put a * in your word or phrase where you want to leave a placeholder.

For example, "largest * in the world".
