The Organization Chart. Once an organization has set its structure, it can

represent that structure in an organization chart: a diagram delineating the interrelationships of positions within the organization. Having decided on a functional structure, a company might create the organization chart shown in Figure 1.

Field Maintenance Definition: Field-level  
maintenance is comprised of two sub-  
levels, shop-type work (Intermediate) as  
well as on-equipment maintenance  
(Organizational): Intermediate Level

Access PDF Organizational Intermediate Field Direct And General Support And Depot Intermediate maintenance is the maintenance level between the most extensive maintenance — depot, and the least extensive (but usually the most common) — organizational.
