Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks.

San Antonio Our Story Of

San Antonio is a richly illustrated compilation of more than 150 years of coverage on the history and culture of the city, as told in the pages of the San Antonio Express-News. From local politics to news stories on the military, energy, water use, the border and immigration that reverberate nationally and internationally, to the recent naming of San Antonio's five Spanish missions as a World Heritage site, the city has always been a place where the American identity is forged.

San Antonio: Our Story of 150 Years in the Alamo City ...

The City of San Antonio is one of the oldest Spanish settlements in Texas and was, for decades, its largest city. Before Spanish colonization, the site was occupied for thousands of years by varying cultures of indigenous peoples. The historic Payaya Indians were likely those who encountered the first Europeans. The "Villa de Bejar" was founded by Spanish explorers on May 5, 1718, by then Governor Martin Alarcon, at the headwaters of the San Pedro Creek. The mission San Antonio de Valero was est

History of San Antonio - Wikipedia

More than 150 years of San Antonio history. Published in partnership with The San Antonio Express-News. On Sept. 27, 1865, the San Antonio Express-News made its debut. And from the beginning, there was plenty to write about. The Civil War had just concluded, and it was only twenty-nine years after the fall of the Alamo.

San Antonio: Our Story of 150 Years in the Alamo City ...

Our state has an incredible story. In 2019, the University of Texas Press published Big Wonderful Thing: A History of Texas, written by author Stephen Harrigan. The book reads like a novel about our great state's history with all the beauty, suspense, kindness, strength, tragedy, loss, and even horror you'd never expect from a history book.

How do we shape the next chapter in Texas' incredible story?

Through the late 1800s and early 1900s, San Antonio's growing population and expanding boundaries were the cause, to a large degree, of problems brought about by flooding. In fact, if steps to control the flooding had not been taken in the 1920's, later commercial development along the river would not have been possible.
