### The Process Matters: Engaging and Equipping People for ...

ing the process well may not require much in the way of tangible resources. For Jay Leno, it only required a few key people to show him real respect; this cost very little time or money. Third, given how much the process matters, and given the simplicity of doing it right, you would think that processes would be handled well more often than not.

### The Process Matters: Engaging and Equipping People for ...

"Drawing from the social psychology of fairness and justice, and the author's own leading research in this area, The Process Matters articulates the importance of process in managers' effective implementation of organizational decisions and policies, including successful organizational change. Engaging and authoritative, as well as rich in illustrative examples, this book will become the leading reference for years to come."—Roderick Kramer, Graduate School of Business, Stanford University
