Venice A Maritime R Lic

What I especially liked about Venice, A Maritime Republic, was the balance between the usual recital of classic political history - wars, rulers, and shifting borders - and vivid snapshots of the economics, culture, and personalities of Venetian history.

Venice, A Maritime Republic: Lane, Frederic Chapin ...

Lane's "Venice, A Maritime Republic" is mostly an economic and naval history of La Serenissima, with some (disappointing) information on the visual arts. The technical chapters about ships and trade routes may scare the amateur reader, but Lane is very good at avoiding any information overload, and he is particularly proficient at explaining complex issues in a clear way.

Although Venice was a wealthy merchant city by the 11 th century, it was the 4 th Crusade and the Sack of Constantinople in 1204 that filled the coffers and made the jump from local power to world power. Actually, the birth and death of the glory of Venice was tied to Constantinople.

Venice and the treasures of the 4th Crusade - Rome on Rome

The Republic of Venice or Venetian Republic, traditionally known as La Serenissima, was a sovereign state and maritime republic in what is now northeastern Italy. It lasted from 697 AD until 1797 AD. Centered on the lagoon communities of the prosperous city of Venice, the republic grew into a trading power during the Middle Ages and strengthened this position in the Renaissance. Citizens spoke the still-surviving Venetian language, although publishing in Italian became the norm during the Renais

Republic of Venice - Wikipedia

The Venetian navy was the navy of the Venetian Republic, and played an important role in the history of Venice, the Republic and the Mediterranean world. The premier navy in the Mediterranean for many centuries, from the medieval to the early modern period, it gave Venice a control and influence over trade and politics in the Mediterranean far in excess of the size of the city and its population. It was one of the first navies to mount gunpowder weapons aboard ships, and through an organised sys
